

## WT 95: Function Testing: Testing Technique

---

[3:26:51 PM] \*\*\* Weekend Testing added Supreeth Chandrashekhar \*\*\*

[3:27:31 PM] SAURABH KUMAR SINHA: add me too

[3:28:08 PM] Weekend Testing: hi Saurabh, you are added... This is the group chat

[3:28:26 PM] SAURABH KUMAR SINHA: thnxs...@WT and hi to Supreet

[3:28:57 PM] \*\*\* Weekend Testing added Dwarika Dhish Mishra \*\*\*

[3:29:00 PM] Supreeth Chandrashekhar: Hi @sksinha2010

[3:29:07 PM] Supreeth Chandrashekhar: I am new to the group

[3:30:00 PM] SAURABH KUMAR SINHA: @SC Hello and welcome...its my second time here...im sure you will also enjoy more here today as like of me i was in previous one....:)

[3:30:23 PM] SAURABH KUMAR SINHA: Hello @DDM

[3:30:45 PM] Dwarika Dhish Mishra: Hi

[3:31:16 PM] Supreeth Chandrashekhar: tks Saurabh...looking forward for the fun ...

[3:31:20 PM] Supreeth Chandrashekhar: Hi DDM

[3:31:47 PM] SAURABH KUMAR SINHA: Join you guys in 15 mins going to take supplement for extra energy....:P

[3:34:56 PM] \*\*\* Weekend Testing added suman\_athuluri \*\*\*

[3:35:01 PM] \*\*\* Weekend Testing added neelima \*\*\*

[3:38:15 PM] \*\*\* Weekend Testing added saritha \*\*\*

[3:40:51 PM] \*\*\* Weekend Testing added ashwin kumar \*\*\*

[3:41:03 PM] Weekend Testing: Hello everyone, we will start in 20 mins from now

[3:41:59 PM] Dwarika Dhish Mishra: Hi Everyone and greeting from mysida to all

[3:47:40 PM] SAURABH KUMAR SINHA: Hi All and welcome to every one...

[3:48:45 PM] Weekend Testing: few more mins , I will be back soon after changing my fantasy team ;)

[3:50:18 PM] ashwin kumar: hi all

[3:50:28 PM] \*\*\* Weekend Testing added Adil Imroz \*\*\*

[3:50:29 PM] SAURABH KUMAR SINHA: hi ashwin...

## WT 95: Function Testing: Testing Technique

---

[3:50:34 PM] Weekend Testing: ten more mins...

[3:51:00 PM] SAURABH KUMAR SINHA: countdown begins.....:)

[3:51:50 PM] Adil Imroz: How long is today's session?

[3:53:21 PM] Dwarika Dhish Mishra: @Adil almost 2 hours, In first hour we test the product and in second hour we discuss the observations

[3:53:49 PM] Adil Imroz: Okay

[3:54:03 PM] Weekend Testing: So, some of you are first timers

[3:54:11 PM] Weekend Testing: let me tell you how this session is conducted

[3:54:30 PM] Weekend Testing: This is a 2 hr session. the 1st hr - testing session

[3:54:38 PM] Weekend Testing: where we will test based on the mission

[3:54:48 PM] Weekend Testing: You can work solo or in pairs

[3:55:10 PM] Weekend Testing: and the next one hr, we will discuss our observations, learning and experience.

[3:55:26 PM] Weekend Testing: At end of one hour, we expect a testing session report.

[3:55:46 PM] Weekend Testing: Feel free to ask any questions here or in private.

[3:56:03 PM] Adil Imroz: Thanks for those details, really helps.

[3:57:39 PM] \*\*\* Weekend Testing added Jagannath Sriramulu(Jagan) \*\*\*

[4:00:32 PM] Weekend Testing: Today's session is about Function Testing on Notepad.

What is Function Testing and what is expected:

[4:00:45 PM] Weekend Testing: Testing every function as much as possible.

[4:01:11 PM] Weekend Testing: Mission for today:

Prepare a list of functions of Notepad and also list the test ideas to test each function.

[4:01:18 PM] Weekend Testing: =====

[4:01:23 PM] Adil Imroz: Okay

[4:02:18 PM] SAURABH KUMAR SINHA: still having confusion....@WT....{

## WT 95: Function Testing: Testing Technique

---

[4:02:30 PM] Weekend Testing: what is the confusion? ask

[4:03:16 PM] SAURABH KUMAR SINHA: Function of Notepad...your meaning to its uses or something else??

[4:03:26 PM] Weekend Testing: File > Open is a function.

[4:03:32 PM] Weekend Testing: File > new is a function

[4:03:46 PM] SAURABH KUMAR SINHA: ok....got it...thanks..!!

[4:03:49 PM] Weekend Testing: Once some text is typed, right click > copy is a function

[4:05:18 PM] Weekend Testing: anyone still having questions?

[4:05:34 PM] Adil Imroz: No

[4:08:31 PM] Weekend Testing: At the end of 1 hr, a report with list of functions and the test ideas to test each function is expected.

[4:08:53 PM] Weekend Testing: it could be in any format - txt, doc, mindmap, excel

[4:12:49 PM] Weekend Testing: More information about Function Testing can be found here:

[4:12:51 PM] Weekend Testing: <http://testingeducation.org/BBST/testdesign/testdesign1a.mp4>

[4:13:05 PM] Weekend Testing: 9 min video

[4:19:55 PM] \*\*\* Weekend Testing sent IMG\_21042013\_161955.png IMG\_21042013\_161955.png

IMG\_21042013\_162000.png \*\*\*

[4:37:09 PM] ashwin kumar: Just realised there are a lot of functionality within the notepad by looking at the help document

[4:37:18 PM] Weekend Testing: :)

[4:37:30 PM] ashwin kumar: Which i had never done before

[4:37:31 PM] Dwarika Dhish Mishra: hmm it has near about 1800 functionality in short

## WT 95: Function Testing: Testing Technique

---

[4:38:12 PM] ashwin kumar: guys shall we split the total functionality so that we try to cover majority of functions

[4:39:18 PM] Supreeth Chandrashekhar: lets do tht

[4:39:20 PM] SAURABH KUMAR SINHA: i think same Ashwin...

[4:40:58 PM] ashwin kumar: I will take the functions from a to e . Will try to create a map on that using xmind so that in the end all of us combine it into a single map. Is it ok with you ajay

[4:42:03 PM] Weekend Testing: I am ok with what ever you do

[4:42:27 PM] neelima: i am not familiar with xmind

[4:42:28 PM] Weekend Testing: but how do you classify a to e?

[4:43:29 PM] ashwin kumar: I just looked at the help file and all the functions from starting with the letter a to letter e i would be covering

[4:43:41 PM] Weekend Testing: can you send me a screenshot?

[4:43:44 PM] Weekend Testing: I don't find it

[4:44:54 PM] neelima: Help document is not opening in my lappy

[4:45:05 PM] SAURABH KUMAR SINHA: ashwin can you please let me know which Os you are using??

[4:45:17 PM] ashwin kumar: I am using XP saurabh

[4:45:19 PM] SAURABH KUMAR SINHA: @neelima:tell me your OS??

[4:45:29 PM] neelima: Windows XP

[4:45:30 PM] SAURABH KUMAR SINHA: @Ashwin: I knew that....

[4:46:02 PM] SAURABH KUMAR SINHA: @neelima: try one you will get it...

[4:46:04 PM] \*\*\* ashwin kumar sent help of notepad.png \*\*\*

[4:46:16 PM] \*\*\* ashwin kumar sent help of notepad.png \*\*\*

[4:46:21 PM] ashwin kumar: one min

[4:46:24 PM] \*\*\* ashwin kumar sent help of notepad.png \*\*\*

[4:46:36 PM] SAURABH KUMAR SINHA: @neelima:which service pack is that??

[4:47:27 PM] neelima: service pack 2

[4:47:32 PM] Weekend Testing: on Win 7, I don't see that

## WT 95: Function Testing: Testing Technique

---

[4:47:36 PM] Weekend Testing: btw, 13 mins left

[4:47:40 PM] Weekend Testing: (o)

[4:47:49 PM] SAURABH KUMAR SINHA: on Win8 complete usability is changed...

[4:47:52 PM] SAURABH KUMAR SINHA: :(

[4:48:23 PM] SAURABH KUMAR SINHA: Thats i am going to claim that Accessibility and Usability is not good in higher OS.

[4:48:58 PM] ashwin kumar: since time is limited how do we proceed now

[4:50:43 PM] ashwin kumar: Yes i still excel 2003 to excel 2007 due to keyboard friedliness

[4:51:02 PM] SAURABH KUMAR SINHA: i think formall discussion is fo=ine for now...:)

[4:51:38 PM] SAURABH KUMAR SINHA: @neelima: Now do you able to get the same??

[4:52:25 PM] neelima: No still have the same problem

[4:53:56 PM] SAURABH KUMAR SINHA: @Ashwin:please help her....i m confusing why she have a problem with XP??/

[4:54:04 PM] neelima: When i click on search option in help doc, it is taking me to JustIn-Time debugger

[4:55:07 PM] ashwin kumar: when you click help topics in notepad do you get a new pop help window

[4:55:20 PM] neelima: yes i do

[4:55:44 PM] ashwin kumar: In that just click on index you should be able to see what i had shared as a screen shot

[4:56:32 PM] neelima: Even Index is also giving same msg

[4:57:32 PM] Weekend Testing: Please wrap up your reports

[4:57:36 PM] Weekend Testing: and upload to dropbox.

[4:57:45 PM] Weekend Testing: Paste the dropbox links once done.

[4:57:51 PM] Weekend Testing: 3 more mins (o)

[5:00:16 PM] Weekend Testing: <http://db.tt/UeBZFi6m>

[5:00:19 PM] Weekend Testing: is my image.

[5:00:37 PM] Weekend Testing: of the functions and test ideas. Couldn't contribute much.

[5:01:23 PM] Supreeth Chandrashekhar: Thts grt actually

## WT 95: Function Testing: Testing Technique

---

[5:01:38 PM] Supreeth Chandrashekhar: wanted to knw wht tool is used for creating mind map

[5:01:39 PM] Supreeth Chandrashekhar: ?

[5:01:44 PM] Weekend Testing: XMind

[5:02:14 PM] Weekend Testing: Who else is ready?

[5:02:22 PM] ashwin kumar: Ajay so now our discussion will start on how to test each of these functions right?

[5:02:30 PM] \*\*\* Dwarika Dhish Mishra sent Reprot.docx \*\*\*

[5:02:41 PM | Edited 5:02:57 PM] Adil Imroz: Can i drop my report here?

[5:02:42 PM] Adil Imroz: ?

[5:02:46 PM] Weekend Testing: yes

[5:02:52 PM] Dwarika Dhish Mishra: Unicode portion is still missing

[5:03:16 PM] Dwarika Dhish Mishra: in my report the biggest portion of Notepad

[5:04:33 PM] \*\*\* Adil Imroz sent WT\_Adil.xlsx \*\*\*

[5:04:43 PM] Adil Imroz: Please accept

[5:04:47 PM] \*\*\* suman\_athuluri sent Notepad.bmp \*\*\*

[5:05:24 PM] Weekend Testing: can you please send jpg/png?

[5:05:35 PM] suman\_athuluri: ok

[5:06:33 PM] Weekend Testing: Ashwin, Jagan, Neelima, Saritha, Saurabh, Supreeth?

[5:06:39 PM] Dwarika Dhish Mishra: Those who are unable to download my report can download it from here [http://abodeqa.wordpress.com/?attachment\\_id=634](http://abodeqa.wordpress.com/?attachment_id=634)

[5:06:49 PM] Jagannath Sriramulu(Jagan): Please find my map in <http://tinyurl.com/chaozl9>

[5:07:17 PM] \*\*\* suman\_athuluri sent Notepad.jpg \*\*\*

[5:07:51 PM] Weekend Testing: I thought size will reduce

[5:07:54 PM] Weekend Testing: but its the same

[5:08:43 PM] \*\*\* Adil Imroz added Kushal Kumar \*\*\*

[5:08:53 PM] \*\*\* ashwin kumar sent testing notepad.xmind \*\*\*

## WT 95: Function Testing: Testing Technique

---

[5:09:14 PM] suman\_athuluri: shall I Zip it and send it to you ?

[5:09:26 PM] Weekend Testing: Ashwin, please export to png

[5:09:27 PM] Weekend Testing: and send

[5:09:33 PM] Weekend Testing: no, its ok @Suman

[5:09:35 PM] \*\*\* Supreeth Chandrashekhar sent performance\_on\_Notepad.PNG \*\*\*

[5:09:42 PM] ashwin kumar: sure will do

[5:10:32 PM] Weekend Testing: Anyone else to send report?

[5:10:48 PM] Weekend Testing: will be back in a min

[5:12:18 PM] SAURABH KUMAR SINHA: yes i m sending...

[5:14:12 PM] Weekend Testing: how many of you are participating for the 1st time?

[5:14:43 PM] Adil Imroz: Me for the first time.

[5:14:44 PM] neelima: [https://www.dropbox.com/s/s8rxt8uabseryn/Notepad\\_FT\\_21Apr2013.doc](https://www.dropbox.com/s/s8rxt8uabseryn/Notepad_FT_21Apr2013.doc)

[5:14:50 PM | Removed 5:14:58 PM] Adil Imroz: This message has been removed.

[5:15:20 PM] Supreeth Chandrashekhar: First time

[5:15:31 PM] Weekend Testing: lets start with Supreet

[5:15:37 PM] Weekend Testing: how was the experience?

[5:16:16 PM] Supreeth Chandrashekhar: it took me quite some time to get ramp with the pace ..

[5:16:37 PM] Weekend Testing: Adil, you will be next :)

[5:16:44 PM] Adil Imroz: Sure

[5:16:49 PM] SAURABH KUMAR SINHA:  
[https://www.dropbox.com/s/4kvtoaz9b9908tr/WT\\_Notepad\\_saurabh.xls?v=0scn](https://www.dropbox.com/s/4kvtoaz9b9908tr/WT_Notepad_saurabh.xls?v=0scn)

[5:16:50 PM] Supreeth Chandrashekhar: after looking at the reports and the scenarios I enjoyed ..it

[5:16:53 PM] Supreeth Chandrashekhar: it was grt

[5:17:10 PM] Supreeth Chandrashekhar: Learnt a lot ...

[5:17:21 PM] Supreeth Chandrashekhar: testing was redefined in Weekend testing

[5:17:29 PM] Supreeth Chandrashekhar: thanks Ajay

## WT 95: Function Testing: Testing Technique

---

[5:17:49 PM] Weekend Testing: How different it is compared to what you do at office?

[5:18:03 PM] Supreeth Chandrashekhar: Very different ..

[5:18:15 PM] Supreeth Chandrashekhar: today was adhoc

[5:18:27 PM] Supreeth Chandrashekhar: all this days we where very planned ..

[5:18:55 PM] Supreeth Chandrashekhar: It was a good way to lossen up the mind and let it freee

[5:19:20 PM] Supreeth Chandrashekhar: and then test

[5:19:21 PM] Weekend Testing: cool

[5:19:26 PM] Weekend Testing: any new learning?

[5:19:51 PM] Supreeth Chandrashekhar: Lots !!

[5:20:10 PM] Supreeth Chandrashekhar: Top of list is

[5:20:13 PM] Supreeth Chandrashekhar: Mind map

[5:20:24 PM] Weekend Testing: cool, happy that you enjoyed.

[5:20:34 PM] Weekend Testing: Adil, the other newcomer :)

[5:20:55 PM] SAURABH KUMAR SINHA: nice supreet

[5:21:08 PM] Weekend Testing: Thanks Supreet, lets hear what Adil has to say

[5:21:11 PM] Adil Imroz: Okay

[5:21:26 PM] Adil Imroz: I had heared a lot about WT, but this was my first experience with you guys.

[5:22:27 PM] Adil Imroz: My main motive to spend time in WT is to see how different people test, and if their testing approaches are good, i intend to implement them in my testing.

[5:22:50 PM] Adil Imroz: Apart from learning more of testing i am also here to meet all the cool testers out here :)

[5:23:34 PM] Weekend Testing: nice, was today's session useful?

[5:23:55 PM] Weekend Testing: I see steps to reproduce and comments...

[5:24:15 PM] Adil Imroz: This exercise was a bit familiar to me, we do have such testing exercises at our office, where we test in the same pattern, the only difference : we sit next to each other.

[5:24:41 PM] Weekend Testing: good to know

[5:24:45 PM | Edited 5:24:54 PM] Adil Imroz: My learning :

## WT 95: Function Testing: Testing Technique

---

I never new note pad too have so obvious bugs and so much of enhancement is required

[5:25:38 PM] Weekend Testing: Thanks Adil

[5:25:45 PM] Adil Imroz: And yes this session would become more useful for me if we talk about the approach all the participants followed here

[5:25:48 PM] Weekend Testing: Who thinks they met the mission?

[5:25:58 PM] SAURABH KUMAR SINHA: @Adil: Agree

[5:26:24 PM] Adil Imroz: Thats all by my side for now :)

[5:26:53 PM] Weekend Testing: we will definitely come there :)

[5:27:02 PM] Weekend Testing: anyone feels that they have met the mission?

[5:27:13 PM] Adil Imroz: Not really

[5:27:40 PM] Adil Imroz: The application is bigger than what can be tested in 1 hour time.

[5:28:02 PM] Adil Imroz: The test coverage was not very extensive.

[5:28:07 PM] SAURABH KUMAR SINHA: @WT: not completely but better then nothing...

[5:28:10 PM] \*\*\* Jagannath Sriramulu(Jagan) sent Note Pad Function Testing\_April 21st 2013 WT\_Jagan.png \*\*\*

[5:28:14 PM] Dwarika Dhish Mishra: obviously we can cover all notepad feature in one hours

[5:28:29 PM] Jagannath Sriramulu(Jagan): I had shared my dropbox link, now sharing the file

[5:28:41 PM] Dwarika Dhish Mishra: if someone is thingking like this than missing something

[5:29:05 PM] Weekend Testing: ok, lets do this

[5:29:13 PM] Dwarika Dhish Mishra: because we have jst gone through context menu and basic menu but still we are missing unicode portion

[5:29:22 PM] Weekend Testing: lets type how we approached and how will we approach if given a second chance

[5:29:52 PM] Weekend Testing: First Approach: Type here

Second Approach: How will we do if given second chance

[5:30:07 PM] Weekend Testing: Type in offline editor and lets paste directly when ready

[5:32:11 PM] Weekend Testing: Anyone still typing?

## WT 95: Function Testing: Testing Technique

---

[5:32:19 PM] Weekend Testing: let me know once ready.

[5:33:42 PM] Weekend Testing: please paste once done.

[5:34:18 PM] Jagannath Sriramulu(Jagan): First Approach

- 1) Identified Features through GUI Menu
- 2) Looked at Short cuts that can be used to use the functionality
- 3) Looked for other ways to influence the NotePad files(through Explorer window)

Second Approach

- 1) Identify Features where i am not having prior experience(Encoding, View Status)
- 2) Using Different language files(Hebrew, Chinese, Japanese, German, Arabic)
- 3) Working with Files of different Sizes
- 4) Working with Notepad in different OSes(Version, 32/64 bit)
- 5) Compare with Notepad++

[5:35:07 PM] SAURABH KUMAR SINHA: @WT: We should pair up for this and first ready with the mindmap of particular team and their section.

2. Ready with mindmaps and approach to cover as maximum as possible.

[5:35:55 PM] Weekend Testing: Anyone watched the video of Function Testing?

[5:36:02 PM] Jagannath Sriramulu(Jagan): 6) Compare & Contrast at a earlier stage with other testers

[5:36:33 PM] Adil Imroz: #First Approach : I first looked into the functionality of the notepad. I tried noting all down in my test report. but then i realised i cannot test all of them. So i handpicked few of them which i would test. Once done that i started testing them.

#Second Approach :I would try to become more clear with my strategy the next time. Since i knew the application beforehand, preparation of my test coverage would happen sooner than it happened in today's case.

[5:38:22 PM] suman\_athuluri: First Approach :

[5:38:24 PM] Weekend Testing: What would be the techniques to note down the functions?

## WT 95: Function Testing: Testing Technique

---

[5:38:24 PM] SAURABH KUMAR SINHA: Anyone have any point for View>status bar??

[5:38:36 PM] suman\_athuluri: First Approach : Rather than trying to cover all the functions of the notepad in a stipulated amount of time, I want to focus on one at a time and try to write all the ideas possible to test that function.

[5:38:38 PM] ashwin kumar: My take will be as follows

1. Define the mission to a very narrow context based on the time and resources available
2. Then define the top functionality to be tested among the chosen lot based on the mission which could be

[5:38:51 PM] suman\_athuluri: Second Approach : Just I was thinking how helpful a "Mnemonic" will be while doing the function testing. I will find one or will create one myself for next time while doing function testing.

[5:39:14 PM] Weekend Testing: @Suman: That will be a good idea.

[5:40:22 PM] suman\_athuluri: Thanks Ajay ... I think it will be really useful for us to remember and cover all the ideas is we hav a Mnemonic .

[5:41:29 PM] Weekend Testing: [5:38 PM] Weekend Testing:

<<< What would be the techniques to note down the functions?

[5:41:52 PM] Weekend Testing: and any questions on anyone else's approach?

[5:42:00 PM] Weekend Testing: or report

[5:43:38 PM] Dwarika Dhish Mishra: First Approach: exploring all functionality after going though its manual and making some mindmap to navigate from one functionality to another and then making stetgy

[5:44:09 PM] Dwarika Dhish Mishra: Second Appraoch : Priority of testing common functionality

[5:44:28 PM] Dwarika Dhish Mishra: like functionality associated with menu and context menu

[5:47:15 PM] Jagannath Sriramulu(Jagan): @Dwarakish...your idea of preparing the scope for the testing is good(Feature;s priority etc)

[5:48:05 PM] Weekend Testing: Should Inputs, Outputs be considered as Functions?

## WT 95: Function Testing: Testing Technique

---

[5:48:42 PM] Dwarika Dhish Mishra: @Jagan because in general we see the approach that we have mentioned here in daily official job and I m seeking towards Mnemonic kind of implementation in these 2 hrs of testing session

[5:48:54 PM] ashwin kumar: @ WT according to me a functionality would consist of Input , process and output

[5:49:12 PM] Jagannath Sriramulu(Jagan): Inputs & Outputs is part of your Feature understanding, it might not be exhaustive at the first tour, but in course of time, it will become exhaustive

[5:49:40 PM] Dwarika Dhish Mishra: @WT input and output in my view here is how it is going to perform on using the steps

[5:50:43 PM] Dwarika Dhish Mishra: @All if we are doing testing than input and output comes as combo pack

[5:51:27 PM | Edited 5:51:47 PM] Adil Imroz: I wouldn't consider I/O as functions but consider them as parameters that helps testing of functions

[5:52:00 PM] ashwin kumar: @dwarika bcoz based on the test input & the functionality we would get the output

[5:52:17 PM] Dwarika Dhish Mishra: @Ashwin obviously

[5:53:06 PM] Weekend Testing: Cool, final thoughts on this session?

[5:53:12 PM] Weekend Testing: we will wrap up soon.

[5:53:24 PM] Dwarika Dhish Mishra: @WT I would request Mnemonic implementation on coming sessions

[5:53:42 PM] Dwarika Dhish Mishra: Actually i have read few articles on it

[5:53:52 PM] Dwarika Dhish Mishra: and would be happy to use it in real life testing

[5:54:11 PM] ashwin kumar: One small thing , I am planning to learn python scripting. I am looking for training partners to help in my quest

[5:54:15 PM] SAURABH KUMAR SINHA: @ALL:I think not more about input but output must be a function which also includes file sizes..

[5:54:41 PM] SAURABH KUMAR SINHA: @ashwin:i have something for you...

[5:55:00 PM] Weekend Testing: Thanks for joining this session.

[5:55:19 PM] Weekend Testing: Hope there was something for each one of you. See you next weekend

[5:55:28 PM] ashwin kumar: @WT Thanks for the hosting the session

## WT 95: Function Testing: Testing Technique

---

[5:55:42 PM] Dwarika Dhish Mishra: Thank you all and hope to meet in next session

[5:55:56 PM] Dwarika Dhish Mishra: \*Hope

[5:56:00 PM] SAURABH KUMAR SINHA: @WT: Thanks Ajay...such an interesting session it was and more about discussion on test strategy and implementation...

[5:56:10 PM] Jagannath Sriramulu(Jagan): Thanks Ajay & other participants for your participation.....Learning is Fun....Enjoy Testing

[5:58:39 PM] Adil Imroz: Thanks all, it was a good experience.

[5:59:11 PM] SAURABH KUMAR SINHA: see you all guys on next weekend...cheers and bye for now...)
